CHARLEROI GIRLS MAKE FINE SHOWING IN ATHLETIC MEET

Washington Wins Big Meet with Charleroi High as Runner-up

CATFISH BOYS TOO STRONG

Time was when the mere appearance of a team of athletes from Charleroi in the scholastic events held annually at College Field, Washington, Pa, spelled defeat in unmistakable terms for any opposing aggregation. That was a few years ago. Since that time things have changed somewhat. Other teams, then in their infancy in matters athletic, were spurred on to greater efforts; and this,coupled with an apathetic interest, locally, caused a reversal of previous conditions, to the extent that Charleroi, for some time, has merely been in the runner-up position, being compelled to bow to the superiority of Washington high school's fleet footed runners. West, their colored star for several seasons, is now in W. & J. College and his departure was not mourned by local runners, from the fact that he was altogether too fast for the average school boy. However, he has been succeeded by Banks, another colored speed merchant, who is equally fast and who this sason is captain of the track team. Others have been developed by the Washington authorities, and with such men as Creigh, Thomas, Q. Banks, a brother to the captain, Gordon. Cohen and others chances to gain the mastery over the county seat athletes do not appear any too favorable for the other schools in the scholastic circuit. However, by keeping persistently at it, the time may come, and that soon, when the laurels may be wrested from Washington by one of the other teams, and who knows but that that honor may fall o the lot of Charleroi. Many school teams in the district have shown extremely rapid strides in advancement along the line of speed, and next year's meet may show many surprises. It is not impossible for the local institution to produce more men like Lloyd Wagner, Wilson and Harry Primas, Roy Carson, Ralph Hickey, Gibson Hill, "Butch" Lowstuter, the Carson brothers, and a host of others—athletes who could generally be relied upon. It behooves Charleroi to get busy, and not allow interest to lag. Youngsters are coming to the front who will bear watching and who will have something to say in the disposition of future events. Therefore ,let everybody get together and a different story may have to told regarding the next annual track and field meet of the Washington County Interscholastic Athletic Association.

Notwithstanding the inclement weather of the day, the meet was in every way a decided success. A large audience was present, indicative of the interest in the venture. Dr. L. L. Kirchner officiated as starter, with John B. Craichead as referee. Both were as busy as beavers in the performance of their onerous duties and are to be congratulated on the excellent results obtained. All the different officials were at their positions from the commencement to the close of the program, and are entitled to the thanks of all for what they did, and the manner in which they did it.

An innovation in this year's meet was the arrangement of a number of events for girls, and let it be said, without fear of contradiction, that this feature was really the delight of the whole program The work of the contestants was fine, while the speed shown by the members of the fairer sex would have cheered the hears of many far more experienced athdetes. Charleroi came out ahead in this department, winning three out of five events, and being placed in each other event on the morning's card. In the 50-yard dash, Lida Bell Woodward and Wenzella Pieper showed hemselves to be the class of the large field, winning their heats in comparatively fast time. In the final the former came out victorious, with Wenzella Pieper close at her heels. In the 75-yard dash, which was won by Miss Muntz of Monongahela, the two afore-mentioned young ladies had to be content with third and fourth places, respectively, in a "bruising" finish. Thelma ("Bill") Phillips outclassed the other contestants in the ball throwing event and her team mate, Annetta Carson, took third place. "Bill" hurled the horse hide 157 feet 8 in. She could have done more, were it necessary. In the standing broad jump, Grace Piersol carried off second honors, clearing 6 feet 5 3-4 inches as against 6 feet 7 inches of the winner, Miss Schwartz, of Centerville. The relay, for teams of eight, and the distance a quarter of a mile, was a sight well worth witnessing. Charleroi's entry consisted of the Misses Olive McKay, Grace Piersol, Rosalia Tess, Winsella Pieper, Mildred Sangston, Catherine Servia, Bertha Sphar and Lida Bell Woodward. Miss McKay started for Charleroi. Off she went like a flash with the crack of the pistol and was soon five yards ahead of her nearest competitor. Passing the baton to Miss Tess, the latter continued to increase the distance between her and her closest opponent. She gained perceptibly, as had her predecessor. Awaiting Miss Tess, as one on pins and needles, was the "small but powerful" Grace Piersol She could hardly await for the baton. When she got in, she fairly flew,

Death Comes Suddenly To George W. Dawson

George W. Dawson, one of the best known young business men of Charleroi, died Sunday morning, May 8, at 11:15 o'clock, in the Allegheny General Hospital, Pittsburg. Mr. Dawson had gone to the hospital for surgical treatment and his sudden death was quite a shock to his friends who were called to his bedside Sunday morning.

He was born at High House, Fayette county, July 9, 1878, a son of the late Harrison and Elizabeth Dawson. His early life was spent on the farm and in later years he became a clerk on the boats of the Pittsburg Brownsville & Morgantown Packet company. Afterward he was appointed Superintendent of the same line by the late Capt. S. S. Brown. Leaving the river occupation he became a real estate dealer and a coal operator.

In 1913 he was united in marriage to Miss Mayme McCormick, of Latrobe. Two children were born to this union, John McCormick Dawson, with the widow, surviving.

Mr. Dawson professed faith in the Presbyterian church at High House, and after coming to Charleroi affiliated with the Washington Avenue Presbyterian church. The following brothers and sisters survive: J. W. Dawson, of Uniontown; James and Lutellus, with Mrs. Clark Lancaster and Mrs. Nealon, all of Charleroi.

Funeral services will be held at his late home on Washington avenue, Tuesday at 10 o'clock a. m., conducted by the Rev. John R. Burson, pastor of the Washington Avenue Presbyterian church, assisted by the Rev. G. G. Kerr of Canonsburg. Interment will follow in the Uniontown cemetery.

WESTERN WEATHER OBSERVER ON VISIT

Robert Q. Grant, in charge of the United States Weather Bureau at Phoenix, Ariona, was a caller in Charleroi for a short time Saturday. Mr. Grant is on a short business trip to this section of the county, and is stopping at the home of his mother, Mrs. Eliza Grant, near Eldora park.

Mr. Grant has been in the United States Weather service for many years and has held a number of important appointments. He has been in charge of the Phoenix office for a long period, and is now a great booster for his adopted state Mr. Grant says that irrigation from waters of the Roosevelt dam is doing wonders for the Salt river valley in which Phoenix is located, some 240,000 acres of land now being irrigated from this great public improvement. Mr. Grant expects to return west in a few days.

COAL NOW MOVING TOWARD THE LAKES

Many thousands of tons of coal which had been held back on account of high freight rates started for the lake ports on Thursday by reason of the cut of 28 cents a ton, granted by the Inter state Commerce Commission which became effective yesterday. It is expected the movement will continue in a steady stream until the lake season closes about the first of the coming October.

According to R. W. Gardiner, commissoner of the Coal Producers' Association, the reduction is merely a readjustment of rates which were discriminatory as against the Pittsburg and some other districts. Since the increase of rates last fall the effort had been continued to secure the correction of this discrimination

It was noted on Thursday that during the present week all of the mines of the Pittsburg Coal company had been placed in operation, the first time this had taken place in several weeks The resumption of the mines required the service of several additional trains on roads serving these mines, with a possibility that more will have to be added in the near future

STATE OFFICIALS COMMEND THE SPIRIT OF CHARLEROI

Dept. of Health Praises Splendid Efforts of Public School Pupils

ESSAYS WILL BE PUBLISHED

Letters of a highly commendatory character have been received by the Charleroi Board of Health, from the State Department of Health, concerning the splendid work done by the pupils of the public schools during "Clean-up Week," as well as the fine public spirit manifested by them in entering into this campaign with such enthusiasm. It was a matter of great satisfaction to the local Board to receive these letters, as they were a voluntary contribution from the State officials concerning the success of the campaign in Charleroi, as well as a high tribute to the boys and girls who gave expression to their enthusiasm in well written essays not only before the campaign, but after it had been closed.

A number of these contributions, as well as some fine drawing made by the pupils with "Clean-up Week" as a topic, will be published in a welfare magazine published by the Metropolitan Insurance company, which of late years has been taking so much interest in community sanitation and the health of the citizens.

A letter from Dr. Edward Martin, Commissioner of Health, to Dr. Hunter of the Board of Health, is as follows:

Dr. J. W. Hunter, Board of Health Charleroi, Pa.

Dear Sir:—A stirring report from Charleroi: When the people get together nothing is impossible. The cartoons have not come,but I am looking forward with interest to their arrival.

To Mr. Darby my congratulatons on what to most people seem impossible, I. E., turning the flash light of true Americanism on a population of foreign children and holding it there until they drop in with the customs of the country.

A few words from me. I wish I had a gift of the pen, that I might write in letters of gold and shining with the light of the sun, how deeply I feel—for the State—a sense of grateful appreciation because of not only the immediate results attained, but because of the influence this example has upon the surrounding community, indeed, upon the whole State

To the teachers who are building for the future of our state; to the pupils who in protecting others from disease are protecting themselves, and will have in their hands that future; and to all who helped, a word of grateful appreciation Believe me

Faithfully yours,
Edward Martin.
Commissioner of Health.

A second letter to Dr. Hunter from Dr. Martin on another phase of the clean-up campaign, is equally as interesting, and its reception gave the

NEW GAME LAWS ARE NOW IN FORCE

Governor Sproul has signed the Catlin House bill making numerous changes in the game code and immediate steps will be taken by the state game commission to publish the new provisions and to arrange for enforcement during the coming season.

The Catlin bill provides that the small game season with a few exceptions, shall be in November; the bear season November 1 to December 15; the woodcock season October 1 to November 30; rabbits the same as bear, and dear the first 15 days in November.

Changes in the bag limit make three the limit for each ruffed grouse and ring-necked pheasants, and five rabbits in one day, and 15 ring neck grouse and five ring-neck pheasants in a season.

Killing of game while damaging crops is permitted, but notice must be given immediately to a game official. Proof must be available if demanded

SPEED TRAPS ARE NOW IN WORKING ORDER

Monongahela has eight speed traps in operation, and automobile drivers are warned to be careful of their speed in going through that town. The orders of Mayor Allen were placed in effect on Thursday, and the first afternoon eight automobile drivers were notified to apear before His Honon Saturday evening to answer the charge of exceeding the speed limit. It is said that the practice of "hitting the high spots" has been so common that the Mayor was finally forced by conditions to make an effort to curb the speed demons, who were endangering the lives of many pedestrians.

Continued improvement in traffic along the Western Maryland railway was shown Monday night, when four new fast freight trains were added to the growing schedule of the Connellsville Division at Dickerson Run. The freights are designated as Nos. 1 and 3 from New York to Chicago.

Notice Maccabees

All those taking part in the drill be at Italian Hall 8th Street Tuesday evening at 7:30.

By order Captain.

WOMAN'S INFLUENCE ON MAN SHOWN IN DRAMA

Those who doubt the world has progressed during the last two thousand years should witness the showing of Allen Holubar's famous Associated First National production of the eternal drama, "Man, Woman, Marriage" starring the talented actress, Dorothy Phillips. The picture will be shown at the Majestic on Monday and Tuesday. The picture is a condensed history of the world's progress—a screen epic and proof positive of woman's subtle influence over the destiny of Mankind. Down through the ages as depicted in "Man, Woman, Marriage" the talented Miss Phillips indelibly impresses the spectator with the influence for good woman has over man. In the modern story of this film Miss Phillips is no less impressive in her role as a woman of our times.

Berlin can hardly be jubilating over the results of its effort to make a catspaw out of our State Department.

CHARLEROI HIGH GIRLS

Continued from page 1

bringing the specators in the saands to their feet in wonderment. She left her nearest rival hopelessly behind, and it was evident to all that the real contest was one for second place. Miss Piersol handed her charge to Miss Mildred Sangston, and the latter was off like a greyhound. Miss Catherine Servia was waiting, and she soon showed that she was the equal of them all. Every Charleroi runner gained. Little Bertha Sphar all excitement, was stamping the ground impatiently, eager to add her mite to the victory which she realized was awaiting her comrades. Everybody marvelled at the speed shown by the Charleroi girls. Wenzella Pieper took the baton, without any waste of time, and started for the place where Lida Bell Woodward was waiting. The large audience was spellbound. The baton was passed, and Miss Woodward acted as though a policeman was after her, crossing the line an easy winner, with her nearest rival over thirty yards away. This was the banner event of the meet, As one of the leading officials said to the writer. "My goodness! What are you growing up there in Charleroi?" He was told the relay was merely a forerunner of what might rightfully be anticipated a year hence.

Owing to the speed of the Washington contingent, the Charleroi boys had little, if any chance of coming out victorious. Neither did any of the other schools, for the mater of that. Nevertheless, t he local boys were at it, from start to finish, as though their very lives depended on the outcome. In the 100-yard dash, which was won by Banks, of Washington, Frank Wagner captured third place, in a splendidly contested affair. Brake came in a [illegible] Both ran well in a very large field. Dwight Stephens and Carl Lockhead took third and fifth positions, respectively, in the 220-yard hurdles. Hardie Albright won fifth place in the 440-yard dash, against a large list of contenders. In the mile run, Day, of Washington, who finished first, was ruled out by Referee Craighead for being paced a part of the distance. The decision of the referee, which was just, gave Charleroi fifth place. Stephens and Wagner were placed in their heats in the 220-yard dash, but failed in the final, which was won by Banks. The mile relay was a most interesting event. Washington, represented by Viehman, Creigh, Cohen, and Banks, was successful, after a spirited contest for three-fourths of the distance with Charleroi. The outstanding feature of this race was Chauncey Collins' splendid work. He ran the third quarter in faultless style, showing unusual speed Had his teammates done correspondingly well, the outcome of the race might have been different, notwithstanding the presence of Banks. Charleroi was among the "also rans" in a majority of the field events, the work of its representatives being quite disappointing. Burnett and Arter, however, did good work at pole vaulting, second and third places going to them in the order named after a toss-up to decide a tie, both having jumped the same distance. Frank Wagner was victorious in the running broad jump. He covered 18 feet 1 1-8 inches, which everything considered, was a splendid performance.

All in all, this year's meet was a pronounced success, and, judging from the interest manifested on Saturday, together with the fact that the girls' contests will undoubtedly form an imporant part of the meet in 1922. Its future success is assured, everything else being favorable.

The Charleroi contestants were in charge of Prof. T Parsons Miller, athletic director and Paul Nutt, who had assisted in their preparation, and to whom the thanks of the participants are due. Miss Mina Decker ably looked after the interests of the girl contestants.

members of the Board of Health a great deal of satisfaction. This letter refers to the cartoons submitted by pupils, and they also will find a place in the pages of the magazine noted above. The letter is as follows:

"Thanks for the chance of looking over these compositions. All of them show an impression likely to be lasting: some of them a distinct gift for vivid expression.

"The cartoons are excellent, there is even a touch of poetic genius. I like John's red ink letter embellished by broom and rake immensely. Frank Kortina will some day be a mechanical draftsman, his picture is neat and done with great accuracy. The unsigned picture of a boy beating a carpet and a girl cleaning a window shows real ability The ash barrel is extremely well done. Edward Maund has a well developed sense of humor, doubtless incident to experinece.

"I am returning what has reall, been, considering the sourse, a literary and artistic treat.

Believe me,
Faithfully yours,
(Signed) Edward Martin,
Commissioner of Health

Have you had a ride in the Franklin? Do you know that without exception it is the easiest riding car on the road? If you cannot answer both these questions "yes" let us prove to you that you have missed something long enough.

You are going to buy a car, no doubt, but thinking of the operating expense after buying. Figure for yourself 20 miles or more to a gallon of gas and 12,500 miles to a set of 4 tires, then you will say Franklin.

Our owners are our best boosters and do most of our advertising. Why? Because they have proved these facts to themselves.

Let us demonstrate to you.

SUFFERED ALL A WOMAN COULD

Mrs. Meyer Finally Found Relief and Health in Lydia E. Pinkham's Vegetable Compound

Orange, Cal.—"I always feel very grateful to you, as some twenty years ago three doctors said I had to have a serious operation. I had a tumor, and ulcers which would gather and break. I had displacement so badly that I could hardly sit down at times, and it seemed as if I suffered everything that a woman could suffer. Then some one advised me to take Lydia E. Pinkham's Vegetable Compound, and I took it until I was cured and saved from the operation. I have told women of your wonderful medicine times without number, and I am willing that you should use these facts and my name if you like. I also used your Compound during the Change, and I can do all my own work but the heavy part, and can walk miles every day as I help my husband in the office." —Mrs. J. H. Meyer, 412 South Orange St., Orange, California.

It is quite true that such troubles as Mrs. Meyer had may reach a stage where an operation is the only resource. On the other hand, a great many women have been restored to health by Lydia E. Pinkham's Vegetable Compound.

WONER PROHIBITION BILL IS NOW A LAW

Governor Sproul on Thursday signed the Woner prohibition enforcement bill, which embodies part of the Brooks high license law of 1887. Under the terms of the new law the courts will issue licenses as in the past, but the license fee in most cases are reduced to one-half of the old fees. The measure is designated to land the state's power to enforcement of national prohibition acts.

Trustee's Sale of Real Estate

By virtue of an order of the Orphans' Court of Washington County, Pennsylvania at No. 3, May Term, 1920 in re Partition of Real Estate of Maragaret Redd Province, deceased, the undersigned Trustee will offer at public sale,

SATURDAY JUNE 4TH, 1921
At 2:00 O'clock P. M.

on the premises hereinafter described:

All those two certain parcels of land situate in the borough of Charleroi, Washington County, Pennsylvania, and known and designated as Lots Nos. 2 and 4 in the general plan of the said Borough. Said lots are more particularly designated and described as follows: First: That piece of land in said borough known as lot No. 2 in said general plan lying between First and Second Streets fronting twenty-two (22) feet on the side of McKean avenue that is farthest away from the Monongahela River and preserving a width of 22 feet, extending back from said avenue a distance of one hundred (100) feet to an alley and bounded on the side farthest up the river by First Street and on the side farthest down the river by Lot No. 4, described next below.

Second:—That piece of land in said borough designated as Lot No. 4 in said general plan lying between First and Second Streets fronting twenty-two (22) feet on the side of McKean avenue that is farthest away from the Monongahela River and preserving a width of 22 feet, extending back from said Avenue a distance of one hundred (100) feet to an alley bounded on the side farthest up said river by Lot No 2, described just above, and on the side farthest down the river by Lot No. 6, in the Plan of said Borough, upon which is erected a two story frame dwelling of nine rooms.

Terms of Sale—Ten per cent (10 per cent) of the purchase money in cash when property is knocked down and balance of the purchase money on confirmation of sale.

Obliterate Dandruff

KEEP HAIR AND SCALP YOUNG

CRUDOLEUM is a supreme dandruff eradicator. You protect the whole family from loss of hair when you buy CRUDOLEUM. One minute of careful thought now, a right decision and 25c will give you hair assurance for some time to come. CRUDOLEUM makes beautiful soft fluffy hair.

F. J. John is authorized to give you your money back if Crudoleum does not do all this advertisement says it will do and more. You can rid your scalp of dandruff with two or three applications of CRUDOLEUM; save time, trouble, expense and hair; do it yourself.

Frankly, it does seem incredible; yet we are not asking you to take our word for it at all. We simply ask you to obtain a half pint bottle for 35c at F. J. John's drug store on the "money back if it fails" plan and try it for yourself; then if you are not satisfied, we merely ask you to return the bottle and get your money back. Could we do more to establish the truth of our claims? Do not hesitate, the price is so trifling. Get a bottle today. If your druggist does not keep it, order from Wm. M. Simpson Drug Co., Wholesale Druggists, Wilkinsburg Station, Pittsburgh, Pa. Price by mail 40c.

MEN, ASK YOUR BARBER FOR CRUDOLEUM SHAMPOO

LET'S DANCE
at ELDORA, Wed'y Nite, May 11th

To The Tune of

EARL FULLER'S

MILLION DOLLAR VICTOR RECORD ORCHESTRA

Over your feet a musical treat at Eldora Park Wednesday night when the great Earl Fuller with his nine merry music makers will play there. This will be Earl Fuller's second appearance in this section within the past two weeks as he played to a standing room house last Thursday night at the Monongahela City Armory. Hundreds of dancers and music lovers enchanted, glued to their feet by Fuller's wonderful jazz jam of real music. When Fuller's struck up the first tune the dancers were so struck by such delightful music, the like of which they had never before heard that they stood in awe and their feet failed to move. But as soon as they got over the first tune the dance began in earnest and just ask anybody who was there if he didn't dance with more agility and pep than ever before. Just ask him if he didn't create steps that night without effort. It has the same effect on everybody if sunny makes you dance.

MR FULLER

"Ben" Fields, famous Jewish Comedian,
Will entertain you with his fine voice and Comic Songs.

ELDORA'S OPENING DANCE AND BEST.

Carson & Coven's Better Plumber

Scientific plumbing is one of the greatest health measures ever planned for the benefit of mankind. You know that the health of your own home folks is worth more to you than all the cash or other considerations in the world. Good health a greater part of the time is a matter of good plumbing. We do good plumbing.

PLEASING FEATURE OF L. C. B. A. INSTALLATION

A distinctive feature of the installation exercises held by Branch 782, L. C. B. A., Wednesday evening, was the presentation of a silver sandwich tray to the retiring president, Mrs. B. V. Manes, as a token of respect and esteem in which she is held by the members. The recipient expressed much gratitude for the gift.

To reach the buying public, your best medium is The Mail.

AN ORDINANCE NO. 21

Fixing the rates or millage for taxes to be levied, assessed and collected in the Borough of Twilight, Pennsylvania, for the fiscal year 1921, for general borough purposes and to provide a sinking fund to be applied to the payment of the interest and principal of municipal improvement bonds.

Be it enacted by the Borough Council of the Borough of Twilight in the County of Washington and State of Pennsylvania, and it is hereby enacted by the authority of the same.

Section 1. That the rate or millage for taxes for use for general borough purposes to be levied, assessed and collected on and from property and taxables within the Borough of Twilight in the County of Washington and State of Pennsylvania, for the fiscal year 1922, shall be and is hereby fixed at the rate of thirteen and 13-100 (13 13-100) mills per dollar of assessed value.

Section 2. That the rate or millage for taxes to provide a sinking fund to be applied to the payment of the interest and principal of municipal improvement bonds (Series of 1936) of the Borough of Twilight, Pennsylvania, to be levied, assessed and collected on and from property and taxables within the Borough of Twilight in the County of Washington and State of Pennsylvania, for the fiscal year 1921, shall be and is hereby fixed at the rate of one and 87-100 (1 87-100) mills per dollar of assessed value.

Enacted into an ordinance this 5th day of April, 1921.

A. D. Arison, President of Council.

Attest:

John F. Krepps, Borough Secretary.

Examined and approved by me this 6th day of May, 1921.

A. D. Arison,
Acting Chief Burgess.

Attest:

John F. Krepps, Clerk

Card Of Thanks

We wish to thank our friends and neighbors for their kindness and sympathy during the illness and death of our beloved mother, Mrs. Osborne. We also wish to thank the Rev. J. Burson, choir and those who so willingly offered their cars.

Sons and Daughters.

285-t1

Two motor bandits having claimed inspiration from the movies, the logic now popular would seem to demand the prohibition of all film shows.

PAIGE

The Most Beautiful Car in America

The Car With 100 Hill Climbing Records

On January 21st the Paige "Daytona" Model 6-66 won the world's stock chassis record for speed by traveling at a rate of 102.8 miles per hour

Since that time 6-66 models have invited every test of speed and endurance that could prove the metal of a real champion

At one hundred points in the nation these mighty cars have tackled the best local hill climbing records and surpassed them with ease

And in each case the tests have been conducted by unprofessional drivers in standard models that any man can buy

It is not necessary to explain or amplify such consistent success in the field of sport. The records speak for themselves in the most positive terms

They affirm that, irrespective of price or piston displacement, the Paige 6-66 is the leader of all American sporting cars.

If you believe that championship form is the best guarantee of all 'round efficiency, then you must believe in the Paige

If you believe in demonstrated performance on road, hill and track, the 6-66 with its exclusive power plant must inevitably be the car of your choice
